## Chapter Pride Patch

**The Chapter Pride Patch is a program that recognizes OCNYHOG members for supporting the chapter throughout the year. The Chapter Pride Patch displays... (patch design needed).**

**A Chapter Pride Patch is awarded to a member when they have earned 15 points for participation in various club activities *and* have met the *minimum* number of required points in each point category (see points chart). One point is awarded for *each* activity and points are accrued throughout the year. The member must sign the Chapter Pride Patch sign-in sheet at each event in order to earn the point for that activity. It is the *member's* responsibility to locate and sign the sign-in sheet at the activity.**

**Chapter Pride Patch yearly rockers will be awarded to signify the "year" in which the member earned the points necessary for the award. Members who have previously earned the Chapter Pride Patch will only receive the "year" rocker for each year thereafter.**

**"High Points" recognition rockers will be awarded to members with the highest points accrued in each category at the end of the year. Only one member per category will receive the "High Points" rocker.**

**At the discretion of the Officers, extenuating circumstances may warrant the OCNYHOG Chapter Pride Patch to be awarded (outside the scope of minimum points) to any active member.**
